 **Overview:**

Over the past **11 days**, the Israeli occupation military launched an atrocious offensive on every aspect of life in the besieged Gaza Strip. This onslaught amounts to a war crime and a crime against humanity as it has resulted in a tragic loss of life and caused damage to civilian structures, service facilities, and infrastructure. Israeli occupation warplanes have launched more than **2,000 air raids** in the Gaza Strip while Israeli occupation warships and tanks fired hundreds of shells on several areas across the blockaded enclave, **killing 248 Palestinians**, including **66** children, **39** women, **17** elderly people, and **5** people with special needs and injuring **1,948**.

The Israeli aggression has caused severe damage to infrastructure, commercial facilities, homes, apartment buildings, and agricultural lands.

## Victims of the crime:

**248**  
martyrs

**66**  
children were killed

**39**  
women

**17**  
elderly

**5**  
with special needs

**1,948**  
were wounded

**Forced displacement:**

**120,000**

people were forcibly displaced from their houses under the heavy bombardment to UNRWA schools while others stay at their relatives' houses.

# Massacres against families:

The Israeli occupation army has perpetrated 19 massacres against Palestinian families by directly bombing their homes without prior warning, killing 92 Palestinian citizens. Some of these families were wiped off the civil register as all of their members have been killed.
